DISH Café is open Monday through Friday from 7:00am to 2:30pm. We are available by phone in the café during those hours and after hours at (775) 848-3525. We are available for appointments Monday through Friday 8:30am to 5:00pm. We generally require at least 48 hours notice for delivery orders. Our schedule books up quickly so let us know as soon as possible about your event.

We strive to use local and/or organic produce and pride ourselves on the fact that we are one of the few— maybe the only— cafés in Reno using humanely raised, antibiotic- and hormone-free meats.

We are Caterers— meaning, we will cater to you! Everything can be customized. If you don't see something you like or want to change something to better suit your budget, just let us know.
